As students of life, we are constantly learning the world is at our reach to grasp to experience to live . . . Students, turning the pages of time we grow older and more mature. But for a few moments the world is ours. To experience, to learn, to live. . .
Julie Neraas

Beauty is not a need
but an ecstasy."

“It isn’t the same. In time, I’ll change. And you, and the currents of our lives. But the image of this moment will never fade.

This moment, and you, are unforgettable.”

To the attentive eye, each moment of the year has its own beauty . . . a picture which was never seen before and which shall never be seen again.

“And if this day is not a fulfillment of your needs and my love,

Kahlil Gibran

Each today is your own personal New Year.

Your private mark in time, between the
past and the future.

Your own farewell to yesterday,

Your own welcome to tomorrow.

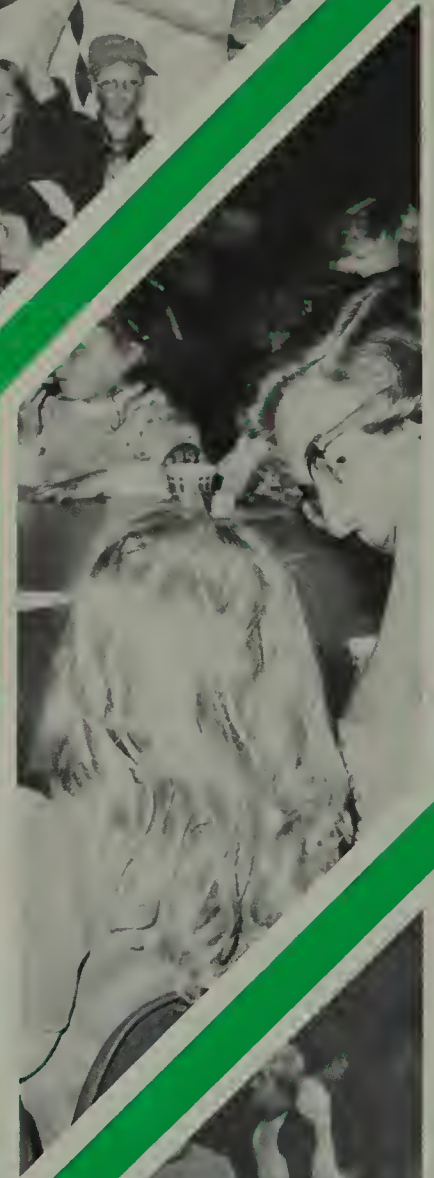

Friend, I will remember you, think of you, pray for you,

and when another day is through, I'll still be friends with you

Discovering that loving, giving and sharing are the richest treasures to behold and that we can close the gap between our brothers if we reach out unafraid.

THE SPECTACULAR SPORRAN STAFF DOING WHAT COMES NATURALLY

Bottom row: Brad Warrington, Kim Spurgin, Mary Hopp, Rick Pelfry, Kathy Withey, Sherry Trunnels; 2nd row: Sandee Nice, Sherry Nolan, Denise Robertson, Marlyn Johnson, Janice Zimbelman, Maxine Davies, Marie Pederson; 3rd row: Jim Caufield, Mitch Strantz, Mark Henley, Jim Matulich, Janet Brakke, Sherry Brown, Mary Boileau; 4th row: Darcy Phillips, Karen Strick; Hanging on, and on! John Walmer, Tim Gall, Janice Deschane, Debbie Sauser, Regina Haffner, Melvin McFinney, Kim Krout.

The 1976-77 Sporran Staff, headed by the not so sane Neil Dressler, could be seen fifth period daily busily trying to keep up with deadlines. Much credit must be given to both Mr. Dressler and Chief Editor Debbie Sauser for the long hours spent putting our yearbook together. Without their help and humor and goofiness, it would have been a very long year. When asked to comment on this year's staff, Mr. Dressler could only come up with the immortal words, "A day late and a dollar short!"

"No problems with Polident!"

Maxine and Janice engrossed in Fido.

Debbie on her way out for a "stiff refreshment!"

Sporran Staff "HANGS IN THERE!"

"Wasn't that due last week Sherri?"

This year's Sporran editors managed to slide through this year. Top to bottom: Kathy Withey - Senior Editor, Sherry Brown - Faculty Editor, Kim Spurgin - Student Life Editor, Sherry Trunnels - Student Life Editor, Debbie Sauser - Editor-in-Chief, Sandy Nice - Sophomore Editor, Marilyn Johnson - Junior Editor, Denise Robertson - Index Editor, John Walmer - Senior Editor, and Janice Deschane - Junior Editor.

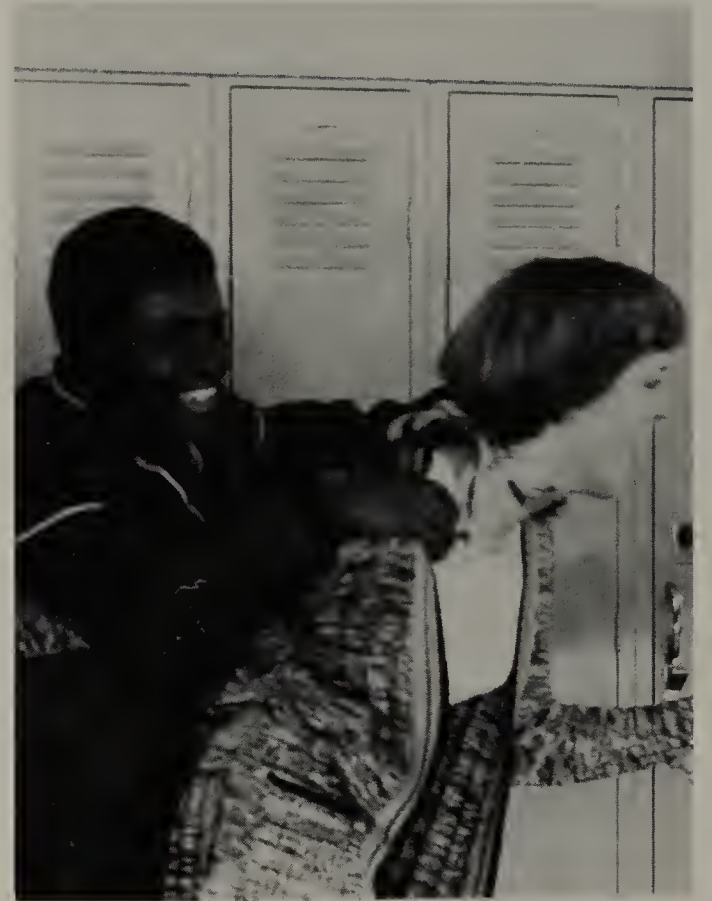

AFS Student

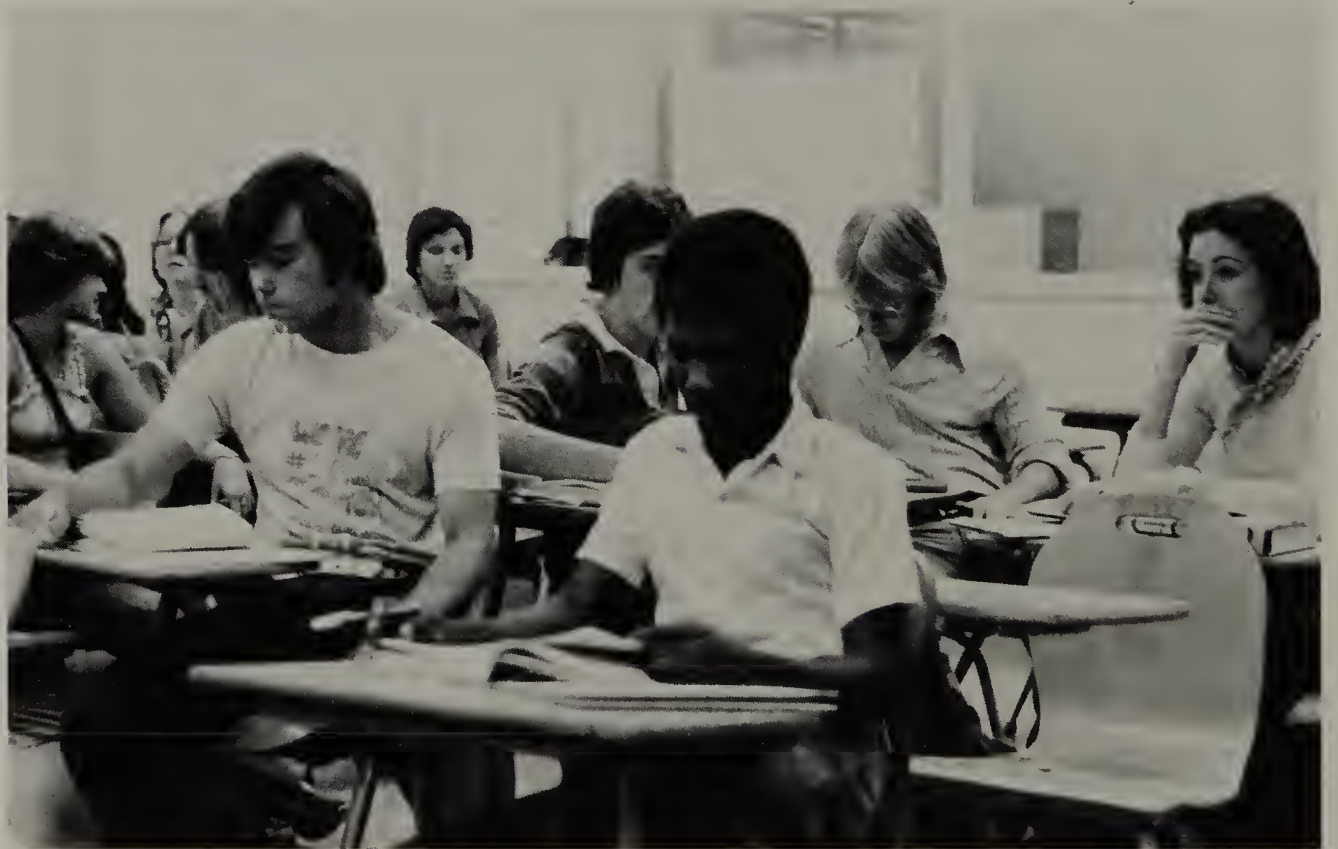

Tetteh Hormeku'Ajei is from Ghana Africa. He is 18 and a senior.

Tetteh likes the way that Shadle gives students an opportunity to look ahead in their lives and to develop their talents.

In his country the schools do not offer as many class subjects and the school year is shorter.

Exchange Students

Leine Olsson is from Sweden. She is 18 and a senior. Leine really enjoys the spirit of the students at Shadle. The main thing Leine is learning from her visit to our country is more about our language and experiencing our life styles.

Roberto Lama is from Chili. He is 16 years old. He really likes Shadle and commented on the variety of classes at Shadle. He said Shadle is bigger than his other school in Chili. He is really enjoying himself.

Marea Escalante is from Mexico. She is 18 and a senior. The main thing Marea likes about visiting our country and going to our school is making new friends.

She is having a really enjoyable time in our country.

A.S.B. officers this fall were President, Linda Buzzel; Fifth executive, Theresa Eickstadt; Treas., Jill Wright; Sec., Robin Moffat; Vice Pres., Lori Sannes.

This year the A.S.B. started having breakfasts with the meetings. It went over really well with hungry representatives. The A.S.B. put on the Sadie and the Christmas dance. They also put on the annual Garland School Christmas project. The kids at Garland really enjoyed the party. The A.S.B. also was involved in the litter pickup problem at Shadle.

FALL A.S.B.

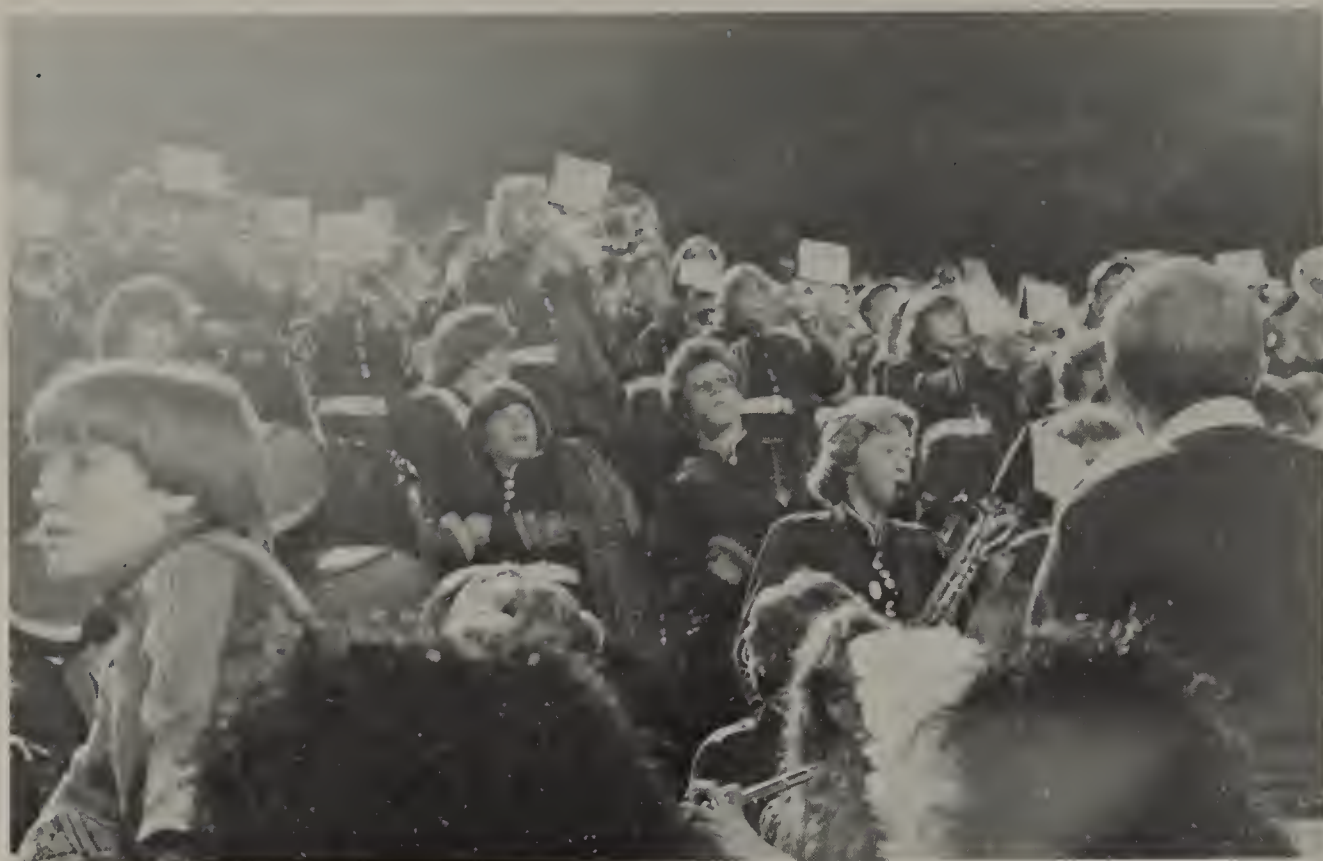

Spring ASB

The Spring A.S.B. officers were Brian Carrigan, President; Diane Cozzetto, Vice-President; Gail Akiyama, Secretary; Kim Neel, Treasurer; Jeanie Fillingham, Fifth Executive. They did a super job this spring and showed what an A.S.B. can do!

And the Band played on.

This year Shadle's Marching Band consists of 190 members, the biggest Shadle has had in several years.

The Marching Unit played at 9 football games, 4 of which they performed at half-time. This includes the Hi-Lassies, Cheerleaders, Color Guard, Highland Dancers, Majorettes, Pipers, and three Drum Majors.

During Basketball season the Marching unit played at 13 Shadle home games at the Coliseum. The Hi-Lassies, Dancers, Twirlers and Color Guard did floor routines while the Band played popular tunes.

This group was involved in many extracurricular activities throughout the school year. They participated in the Spokane Valley Festival Parade, and the University of Idaho's Homecoming parade where they represented Shadle and the city of Spokane for which they received the first place trophy. They performed in a mass Band Salute to Disneyland in the University of Idaho's Kibbie Dome. They also marched in the Lilac Festival parade.

The Concert Band gave several evening concerts and participated in large group contests.

This Marching Unit represented Shadle at all athletic events and city wide performances. Each member put in a great deal of time and effort.

Below, Brendan Kerin, one of the Drum Majors.

The class spends two days at Shadle Park for theory and three days a week at Madison North Convalescent center caring and meeting the daily needs of the patient. It is a valuable and rewarding class that the student can always use in everyday situations. This is a vocational class and if the student complete 360 hours of classtime and clinical experience, then they receive a certificate as a Certified Nurse Aide. The class is a 4 hr. 4 credit semester long class.

Varsity Goes To State

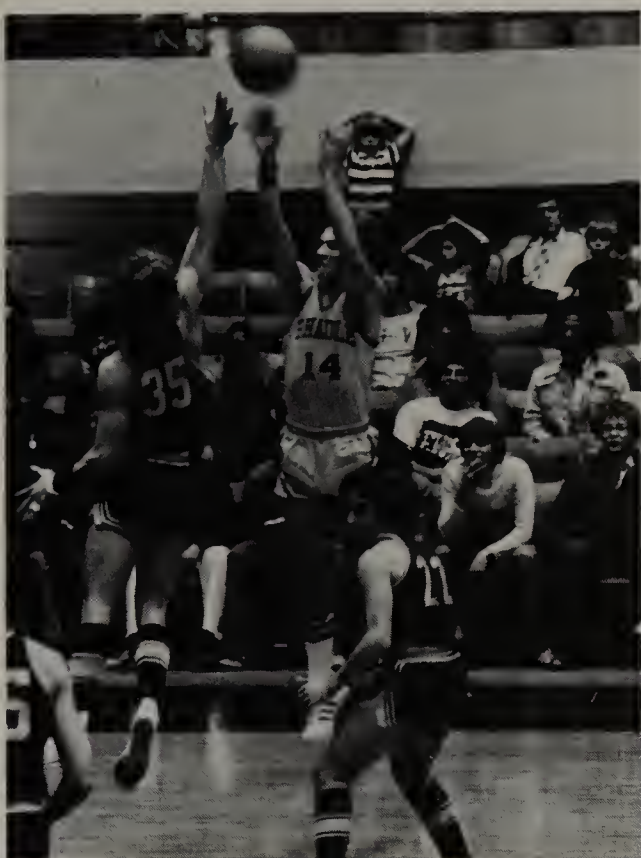

Top row: (l to r) Mark Henley, Don Garves, Kevin Hill, John Olsulfka, Paul Reamer, Craig Cameron, and Coach Dave Robertson. Bottom row: Doug Michelson, John Forsyth, Matt Lynch, Donovan Mills, Steve Ferrette, Dave Henley, managers Dave Harpel and Calvin Landrus.

The Shadle Park basketball team of 76-77 lived up to preseason expectations as one of the finest teams to ever represent the school. The Highlanders were Greater Spokane League co-champions with University, both sporting 13-3 records. They were District 8 champions defeating arch rival U-Hi in the championship game. After a heartbreaking loss to Richland in the Regional playoffs, Shadle defeated Central Valley in the consolation game for third, thus becoming the first Shadle squad in 13 years to qualify for the state tournament. Though they suffered a disappointing loss to Shorecrest in Seattle, the Highlanders can be justifiably proud of their 19-6 record.

The varsity set many school and league records. They were the highest scoring team in Shadle's history with 71.6 points per game, and in league play hitting at a 72.9 clip. They had the best field goal percentage at Shadle with 47.2 percent, and in league play with 45.6. They also set a league scoring record by scoring 100 points against Mead and later equalled that feat against N.C.

Individual Statistics - Donavon Mills, a transfer student from Washington, D.C., was named Greater Spokane League "Player of the Year" and was also selected as a member on the first team All-City. He was fifth in league scoring with 15.6 points per game, came through in clutch situations on numerous occasions, and was voted "Captain" by his teammates. Three year letterman Mark Henley, who averaged 12.4 points per outing, led the league in field goal percentage hitting 52.5 percent of his shots and was named on the second team of All-City. Kevin Hill led the team in rebounding with 8.8 boards a game, contributed 12.3 hoops a game, and was selected to the second team along with Henley. Dave Henley was the only other player who scored in double figures with 10.2 points per contest. Through his everpresent aggressiveness and team spirit, Steve Ferrette was voted "Most Inspirational."

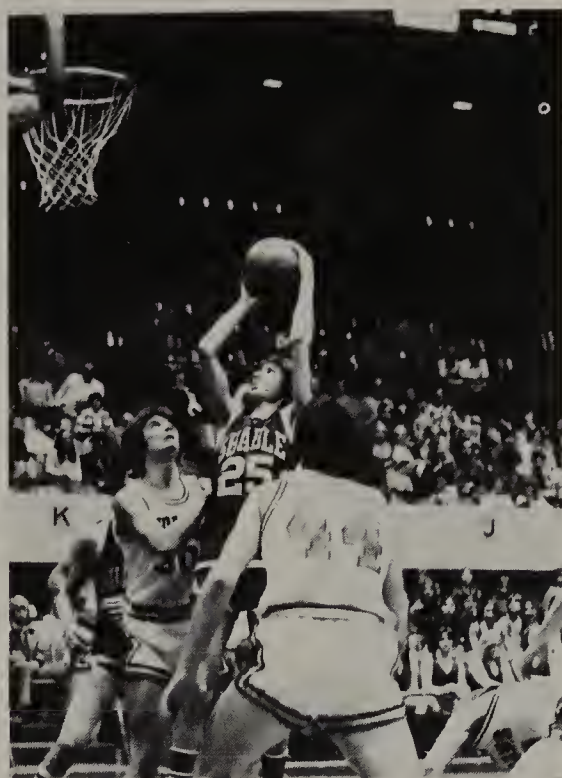

Congratulations are in order for Coach Robertson and his assistant coaches, Jim Groves and Jim "Walt" Whitman, for their outstanding season.

J.V. B-Ballers

Tie for 1st

SEASON RECORD: 16-4
LEAGUE RECORD: 12-4

Shadle Park's Junior Varsity basketball team once again finished in it's customary position of first, but had to settle for a tie with Lewis and Clark as both had identical 12-4 league records. The squad started out impressively, winning its first 11 games, but then hit a midseason slump, losing 3 out of 4 at one stage. The J.V.'ers, coached by Jim Groves, were led in scoring by sophomores Craig Soehren (321 pts, 16 per game) and Jack Robertson (214 pts, 10.7 per game). Also contributing to the scoring were Steve Hanna (159), Mike "Boog" Cavanaugh (125), and Bruce Anderson (119). Although not exceptionally large, the players showed great skill in rebounding. Leaders in bounds were: Soehren (202), Robertson (89), "Boog" (84), and Anderson (60). Steve Hanna shot a blistering 57% from the field, and Rich Kruse was the best from the charity line with 86% of his tries made.

Scotties Offensive Attack

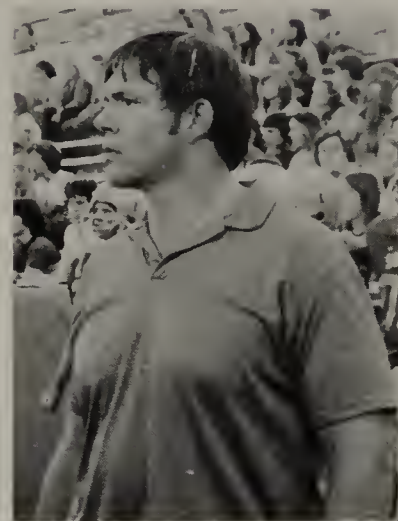

Offense Has Excellent Year!

The offense had a consistent year, but some weak points did occur at times. Quarterback Brad Stocker was third in total offense and the fifth leading rusher in the city. The squad had an excellent running attack as Tom Myer and Junior Henderson had a 5.3 yard and 4.9 yard average respectively. Ron Waddell and Basil Jones had a fine year on the offensive line. Rick Chrystal helped out the line as he switched from the running back position.

Scotties Defense Holds!

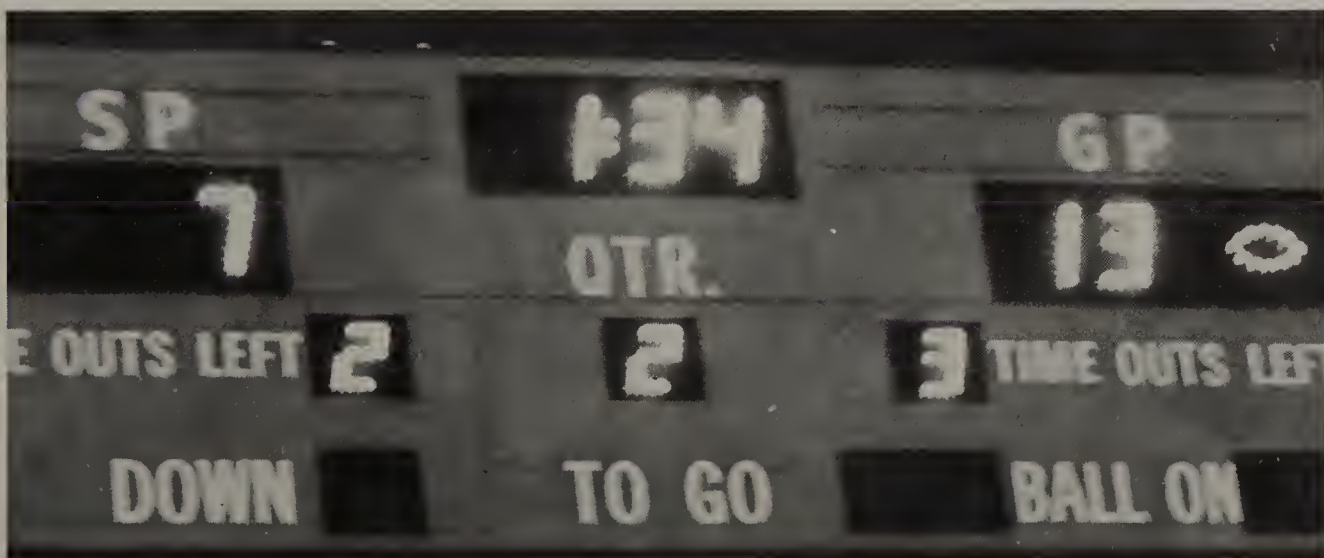

Shadle's varsity football season wound up the 1976 season with a 4 win 5 loss Greater Spokane League record. The defense had a consistent season and was second in the league in total defense. SP led the city in least amount of first downs, 96, against their defense.

Injuries hampered the Scotties this season. Scott Shagool and Mike Elliott were two key injuries as Shagool was a fine punter and receiver and Elliott was a leading runner in the league until his injury against Cheney on the grass in a non-league game.

Sometimes depressing.

"I was very pleased with the general improvement of the ball club over the course of the season. The attitude and discipline was excellent. They always played hard and were constantly encouraging each other on and off the field."

"They showed in the last game against Ferris that they had the come from behind ability winning 17-13 in the final two minutes by playing tough hard-nosed defense and scoring two touchdowns."

The 1976-77 Boy's Varsity Tennis team is a team of winning veterans. Seven of the teams eleven members are seniors, who as sophomores won the junior Varsity city championship and as juniors tied for the varsity city championship. This team of young men may very well be the finest group of tennis athletes Shadle Park has produced. More important than the teams ability to play fine tennis is the individual sportsmanship demonstrated by each member throughout the season. It has been my privilege to be their coach.

Wrestling

Andy Karas, a leading wrestler at Shadle for three years, fought back from two major injuries, one just prior to the District Tournament, to place Fourth in the State.

This season was highlighted by the winning of the opening match against Mead and the forming of the Greater Spokane League. The teams included Shadle Park, Rogers, Ferris, L.C., Mead, C.V., N.C., University and Gonzaga.

Key injuries caused some setbacks during the year as Shadle finished with an overall record of 8 and 8.

Special Awards were given to Wayne McDonald, Captain; Rick Zier, best at disadvantaged position; Jeff Snyder, most pins; Andy Karas, best at advantage position, neutral position, and Inspirational; and Basil Jones received the Coaches Award for the progress shown during the year.

"In The Middle And Heading Strong"

In their second year at Shadle the junior class kept busy with many and varied activities which made the year one to remember.

The advisors were Mrs. Daisley, Mr. Kovick and Mr. Parton. Thanks are in store for the counselors and advisors because the officers couldn't have done it without them. THANKS!!!

The class got the year rolling by holding a car wash which was not only profitable but fun as well (you know how it goes)!!! Next the officers sold Halloween-o-grams which went over GREAT! Then it was down to a lot of hard work for the class. This year's Christmas project involved helping out three families. The class collected canned goods, bought presents and raised over \$618.00 for the families. All the hard work was worthwhile to make the families have a nice Christmas. The class held their second annual volleyball game on March 14th. Team's were chosen from each class and the faculty. Many door prizes were offered which made this event very interesting. The class was involved in activities for spring but the highlight of the whole junior year was held on May 14, 1977- the Junior Prom which was held at S.F.C.C. Much time and effort was put into the prom which proved to be a fantastic evening for all who attended. Hard work and fun are what made the year's junior class the greatest!

Sometimes, not
often enough,
we reflect upon
the good things.
And those thoughts
always center
around those
we love. And I think
about those people
who mean so much
to me and for so
many years have
made me so very
happy. And I
count the times I
have forgotten to
say "thank-you" and
how much I love
them.

*You and I
Must make a path.
We must bring
salvation back.
Where there is
love,
I'll be there.*

Sometimes I find it good to
be alone.

To measure self with nature
and to see,

If my mind has widened and my
soul has grown,

A little taller, as it longs
to be.

Brief were my days among you, and
briefer still the words I have spoken.
But should my voice fade in your ears,
and my love vanish in your memory,
then I will come again . . .

The 1977 yearbook is dedicated to the
future of Shadle Park students, now and
forever.

The Everydays

Some days up ahead
will come down empty
and some years fuller
than the fullest ones
we've known before.

Today has been
the best day yet

I thought
you ought to know that
and I thought it time
that I said thank-you,
for whatever might have
passed between us
that in your mind
you might have felt
missed my attention.

It didn't
and it doesn't
and it won't.

Thank-you
for the everydays
that you make into holidays.

Rod McKuen

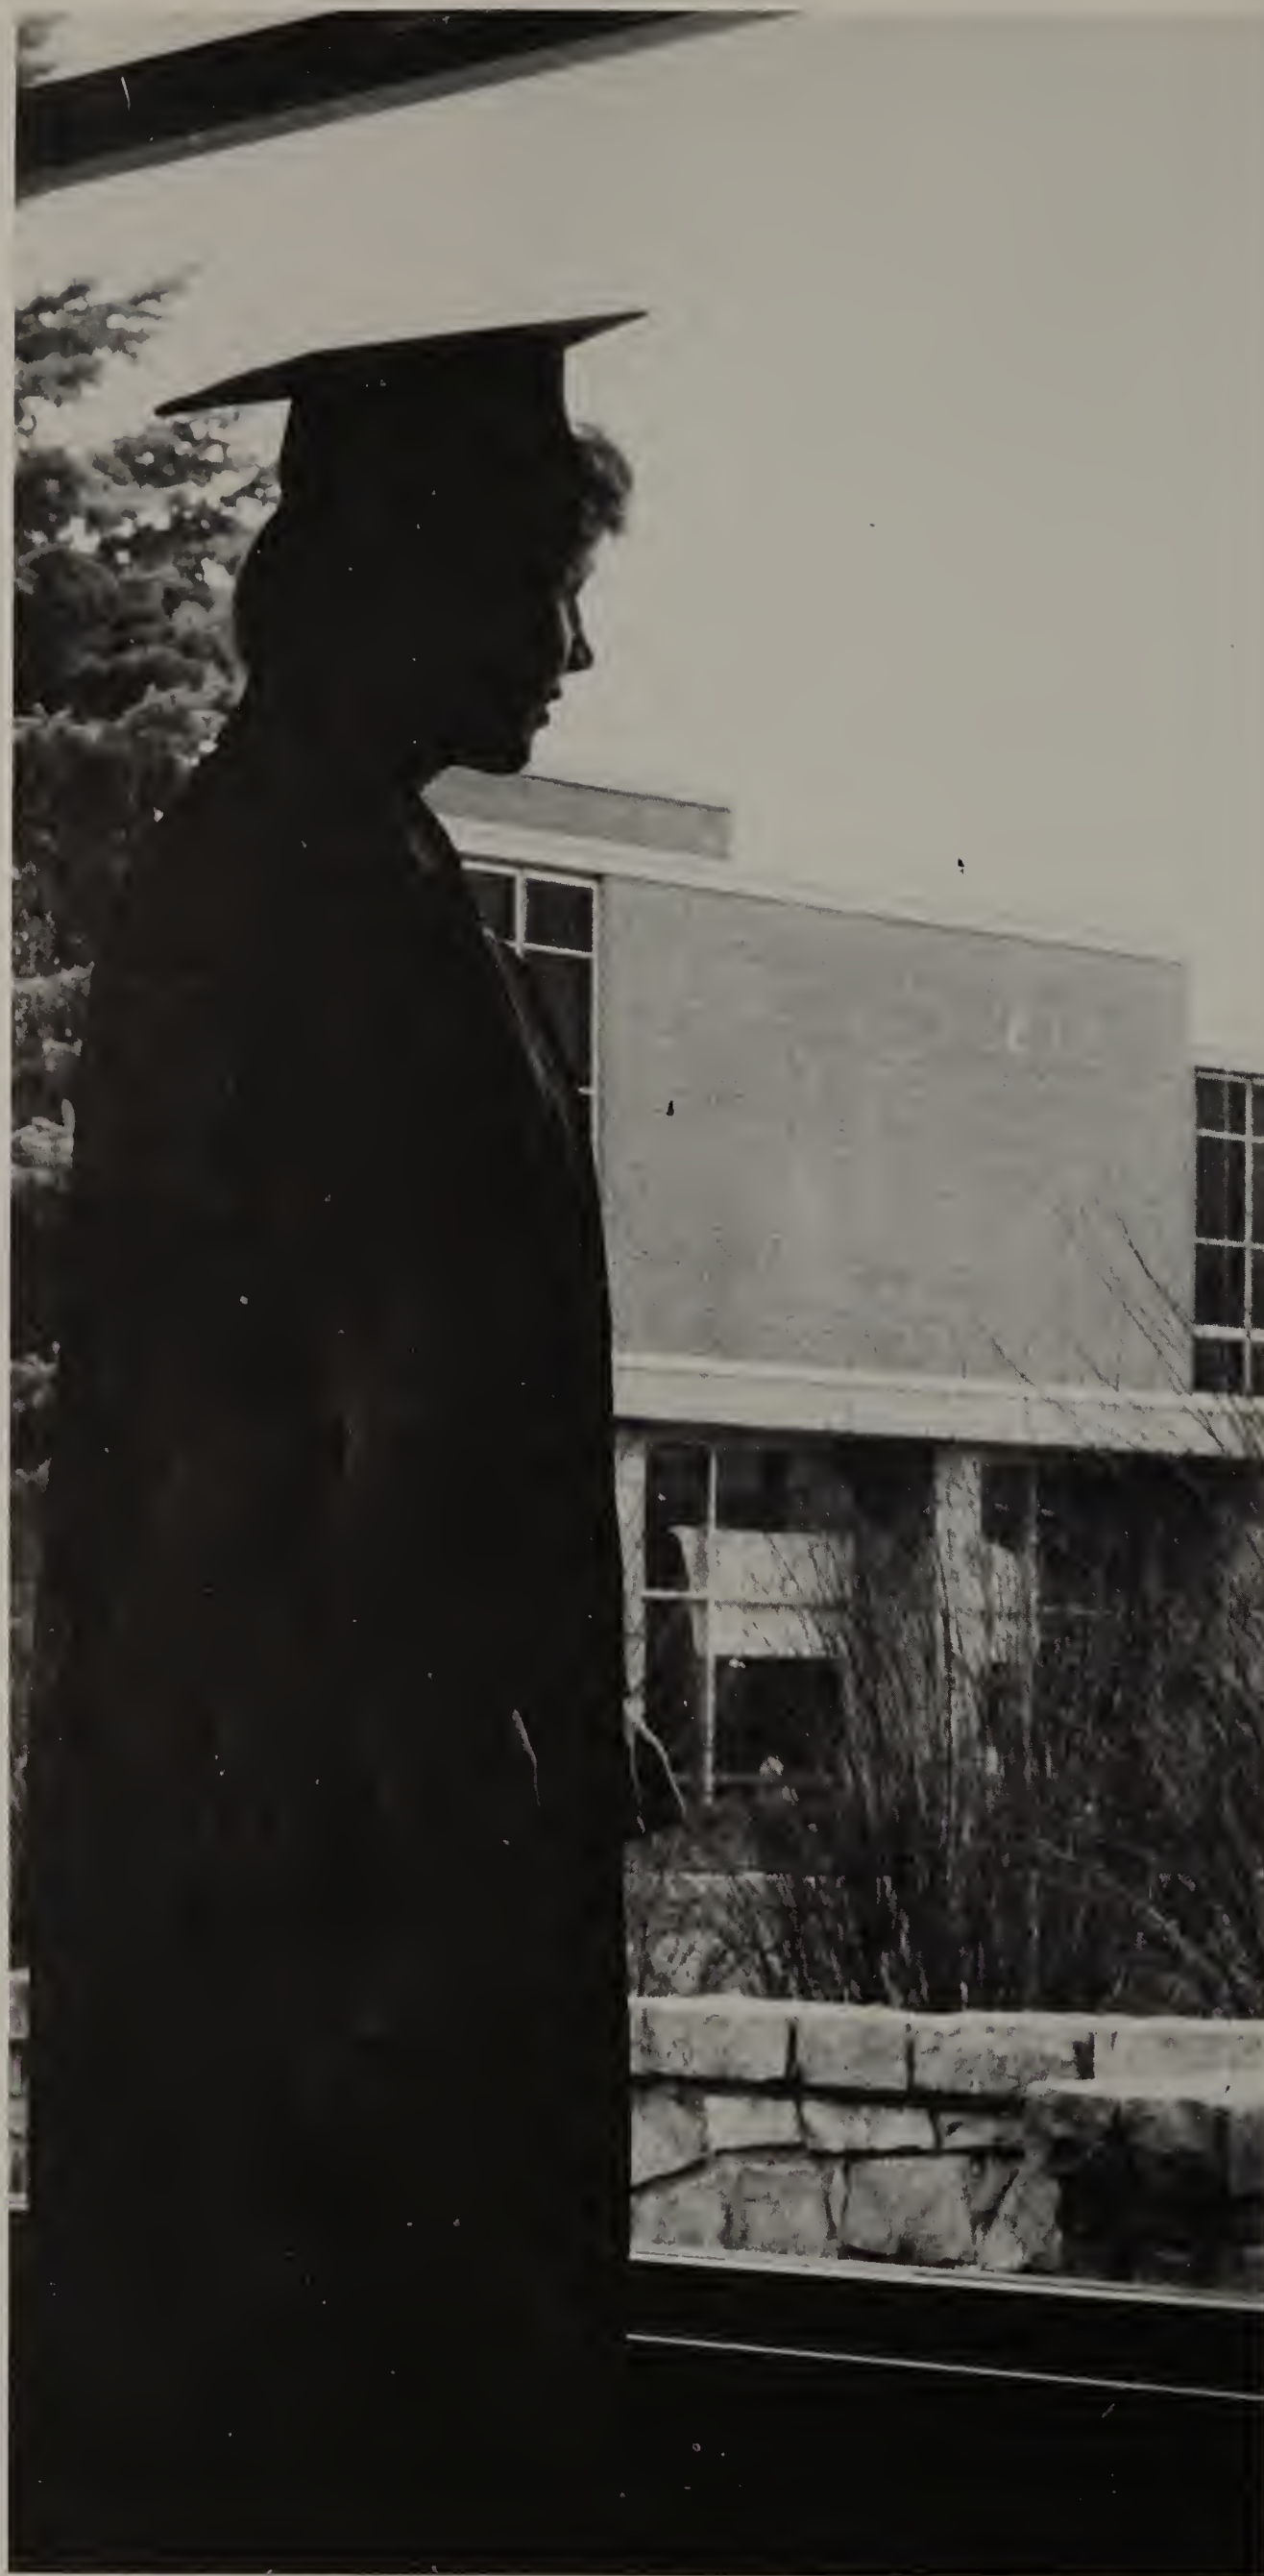

To achieve all
that is possible
we must attempt
the impossible.
To be as much
as we can be
we must dream
of being more.

The bands of
color formed
when radiant
energy is
broken up are
continuous, their
ends invisible.

For three years
our lives have been focused on
Shadle.

But the future
for each of us
is our own, though
destiny now seems
as illusive as
the rainbow's
end.

Theresa,
Well this year
went my pretty fast.
I hope we stay out of
trouble this summer! We
better or else! Anyways, aaaa!
I can't think of anything to say
well you can see that I changed pens!
I wanted you to know that you a great
friend and you will always be my best friend.
We don't get into anymore fights which is
good because from 4th grade on I had
hardly any hair on my head. Those years
were pretty fun. aaaa. Well, anyways,
I hope we still are going to go on with our
big plans! Remember? Well, you are the
only one who knows anyway so you
better! Well, better run. Love
Eddy Hassel
